NEIL GAIMAN

Cinequest is proud to present Neil Gaiman with our Writer Maverick Spirit Award as a part of the Writers Celebration. Join us on March 9, 2014 at 1:30 p.m. at the California Theatre as we celebrate Neil Gaiman's career.

Often Neil Gaiman's work gets categorized as Dark Fantasy, because we love dividing and subdividing genres. But Neil's work strains against such limitations, starting from his first major work in the U.S., *The Sandman*. He can't even be limited as a writer, playing in as many different forms as he can – comics, short stories, poetry, novels, and screenplays have all sprung forth from his fertile imagination, yet his earliest writing was as a journalist, profiling the likes of Duran Duran and Douglas Adams. In recent years he has become a

A global company set in the Silicon Valley, Cinequest's uniqueness and impact result from the powerful integration of creativity and innovation. Cinequest empowers the voice and vision of youth through the power of film and technology; and Cinequest connects audiences, innovators, and artists to media technologies, and to each other. Annually Cinequest Film Festival showcases groundbreaking innovations, empowering media technologies, and the extraordinary minds of the Silicon Valley and our globe that revolutionize and improve our lives. At past Cinequests, you would have been the first to discover mobile cinema, internet movie distribution, digital filmmaking, 4K cinema, and much much more. This year we focus on honoring Innovators through inspiring and exhilarating special events and forums.

CINEQUEST CONSTANTLY LEADS.

Some firsts presented at past Cinequest Film Festival Forums include:

First comprehensive distribution solution for festival films - encompassing DVD, Internet, and Internet-TV

First to engage in direct Internet-to-TV distribution

First to enable DVD/HD-quality online downloads of feature films

First to present coinciding live and online festival experiences

First to bring films to handheld mobile devices
